

The image shows a large, modern library interior. In the center is a green courtyard with several trees and plants. Surrounding the courtyard are orange, curved, modular seating areas. A person is sitting on one of these seats. To the right, there are tall bookshelves filled with books. On the left wall, the text "BIBLIOTEKS HAVEN" is visible. The ceiling has a series of skylights and track lighting. The overall atmosphere is bright and open.
